I hope these note prepared are useful for you. I have used the Gideon lesson in a few Vacation Bible Schools in the area and it always flows well. Luckily, we are teaching two of the easier Judges. Always remember, the goal is for the student to better learn these great Old Testament stories and learn how to apply them to their lives.

In Gideon, we see that God is always in control and sometimes we need some reassurance. In Samson, we learn not to break a vow and that even though all seems lost, it is not over until it is over.

If there are any materials needed for class, either feel free to get them or let me know! Thank you for being a part of teaching in this series. We all have a part to do!

“I have planted, Apollos watered; but God gave the increase.” 1 Corinthians 3:6

God Wins With A Small Army (the story of Gideon)

Judges 7:1-23

Plea to God to make it stop

Gideon

- Farmer and husbandman from Manasseh
- Not a man of war
- Depicted somewhat cowardly in ch. 6
- Perfect Example that God uses all kinds of people

Why Me Lord?

Ever wondered this? Gideon questions God

God has his reasons

Sometimes, for a lesson:

- Goal – Romans 8:29
- Chastening shows His love for us – Heb. 12:5-11
- Rebuked for their sins – Judges 2:1-5

Gideon then wonders why God has chosen him and makes excuses – like Moses

6:11-12 Appears to Gideon

14 God appears to Gideon – “theophany” – Gen. 18:1-2, 16-17

15 “Mighty Man of Valor” – Who, Me?

16 God is with Gideon

Midianites – “Contention, Strife”

- Seduced men of Israel – 24,000 killed – Mt. Juliet size 23,671
- Declared enemies – Num. 25:17-18, 31:2
- Moses spared some – Num. 31:17-18
- Sizeable people by Gideon's time

- 5 Drinks like a dog – keep – ready to fight
Stoops down – out – easy prey
- 8 Only 300 remain – 9700 are sent home! Liberty 310

We are too concerned with the actual number – Great Commission says to go to everyone!

The Plan Was God's 7:7, 16-23

7 God says He will deliver Gideon!

16 Good leader – 3 groups each with trumpets, pitcher, lantern, (Sword not mentioned here)

17 Do as I do – leading by example!

18 Surround camp, torch inside pitcher, when Gideon blew his trumpet, shout with mighty shout: “The Sword of the LORD, and of Gideon.”

19 Plan in motion

20 Plan fulfilled!

21 They woke up and thought they were surrounded and began to flee!

22 The LORD set the swords against the enemies!

23 Chased after them – day memorialized forever!

Lessons:

1. Israel was plagued with idolatry. Idolatry leads to all kinds of ungodly practices.
2. We often wonder what difference we can make. The good we do will be left behind and influence others.
3. Though Gideon asked God for tests, it seems clear it was not a lack of faith of God, but in himself.
4. There is abundant proof that God does not really need any man, but He allows us to serve Him when we are willing and together we can accomplish great things. Numbers do not matter to God, but commitment does.
5. Gideon provides us with an excellent example of leadership.
6. Putting out the fleece, a term still used today, is often seen as a lack of faith or a desire to follow God with conditions. That may have been true in this case as well, but here it serves as evidence that God understands our frailties and weaknesses. His grace and mercy serve to show that understanding to those willing to follow Him.
7. It is interesting Gideon did not mention taking a sword, although we know that they did. Today the only offensive weapon Christians are asked to take with them

2019 VBS

into the spiritual battle in which we are engaged against Satan and his forces is the “sword of the Spirit.” (Heb. 4:12) We can be victorious in our battle if we study and learn God’s Word.

8. Although we may not understand God’s plan for our lives, like Gideon we need to obey Him. God’s thoughts and His ways are far beyond ours. We need only to trust and obey Him and He will give us the victory. I Cor. 15:57-58
